

Cake

Would you please be so kind as to bring a cake?

Spending Money

Please adhere to the amount specified on the Information Sheet. This will be quite sufficient for the period of our expedition. Remember, this is the *maximum*; you don't have to bring so much if you don't want.

Mobile Phones

Please note that mobile phone coverage can be patchy.

Please also be aware that if «Forename» takes a mobile phone it is solely his responsibility even if an adult is asked to look after it.

Canal 2006 Notes For «Forename» «Surname»

Explorer Scouts will need to bring their own personal equipment (the enclosed list is a guide). They should be encouraged to find out for themselves what is absolutely necessary.

General Notes

This **will** be a relaxing holiday. There will be lengthy periods when all that there is to do is, well, nothing. Consequently a couple of books will be useful.

Other good ideas are games.

Now whilst we are not going to be dictatorial, we do feel that a week away from electronic games will be no bad thing. Board games are traditional on this type of expedition. We shall take Risk, whilst others such as Othello, backgammon, dominoes, cards, etc, will be most welcome.

We shall be taking a laptop, so a selection of DVDs might be handy, though wall-to-wall viewing will most certainly be frowned upon!

Musical instruments [eg acoustic guitars, mouth organs] are another positive suggestion, though we would not recommend bringing your piano as it might accidentally slip into the canal.

There will be ample opportunity for «Forename» to carry out the vacation work set both by his school and also his home tutor.

Meals

«Forename» will be the head chef for one evening banquet. The recipe/menu will be a traditional one from a foreign [non-UK] country.

Kit List Notes

1. We would ask that «Forename» travels to and from the expedition in full uniform, **correctly worn** (ie shirts tucked in!).
2. Black bin bags are not suitable for bedding rolls as they tear very easily, with the result that the contents get lost or soiled in transit.
3. Please place wash-proof name labels in all clothing, which should have «Forename»'s name (and "**9th Hudds**").
4. Please label with either indelible ink and/or engraving as appropriate, with «Forename»'s name (and "**9th Hudds**"). (Old favourites of paper labels held on with sellotape, or nail varnish dots are not suitable. The paper labels wash off after the second or third meal, and it's amazing how many mums use the same shade of nail varnish!).
5. Please provide instructions for use.
6. No games or similar items which require batteries to run, please (i.e. radios, gameboys, or MP3 players, etc).
