

The 'S' Camp Quiz

Here's a simple quiz to while away the odd five minutes or so while waiting for the rain to stop and, perhaps, win yourself one of the three tents donated by Scout Shops Limited. All you have to do is study the Ian West illustration on this page and make a list of the items beginning with the letter 'S'. What could be simpler? Add your name, age (if the entry is by a Beaver Scout, Cub Scout, Scout or Venture Scout), address and Group appointment, where appropriate. State the total number of *legitimate* items found — no cheating — and let us have your entry by **July 30, 1990**.

In the event of more than three entries tying for first place, the winners will be decided by a 'draw' of the winning entries. No correspondence will be entered into as the judges' decision will be final.

Scout Shops Limited have donated three *Lichfield Viper 2* lightweight tents as prizes. These easy-to-erect tents are an ideal introduction to lightweight camping and either the inner tent or the flysheet can be erected first.

The inner tent is poly/viscose with a sewn-in PVC coated polythene groundsheet. The flysheet is almond-green nylon with zip front.
